DreamBuilders Story

Since 2002, DreamBuilders has been making a difference for those in need. We are an interfaith all-volunteer organization led by five Maryland Church congregations and a synagogue. Our teams of volunteers (adults and teens) partner with organizations around the country to build and repair homes of those affected by natural disasters or misfortune across the USA and abroad. A key aspect of DreamBuilders is strong involvement of youth in our building missions. We also build memories for a lifetime! Over the years, DreamBuilders has touched the lives of hundreds of people and dozens of communities. We have built and repaired over 100 homes, including 20 incredible "Blitz-Builds" where our teams built homes from the ground up – under roof in a single week!

For the year 2019, DreamBuilders has several projects, rebuilding homes in:

1. **Puerto Rico**, damaged by Hurricane Maria in 2017.
2. **Pittsburgh, Pennsylvania**, reinvigorating a neighborhood of neglected houses
3. **Columbia, Maryland**, in support of the ARC of Howard County.
4. **Ellicott City, Maryland**, damaged in the 2018 flood.

WE ARE ALL-VOLUNTEER AND NEED THE SUPPORT OF OUR COMMUNITY. We are a 501 c(3) organization under the charitable auspices of St. Mark's Episcopal Church, Highland, MD (**Tax ID #: 29069268**) and your donations will be tax deductible. All proceeds from the silent auction go directly toward funding our mission trips. For more information about DreamBuilders, please visit our web site at www.dreambuildersmd.org
